| Product Description        | This antibody neutralizes TNF alpha biological activities. It prevents TNF alpha induced apoptosis in Jurkat cells. It also neutralizes HurTNFamediated cytotoxicity of L929 cells and inhibits tumor growth in mice. It protects mice against toxicity of... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
