| UniProt                    | <a href="#">Q9NZH0</a>                                                                                                                                                                                                                                 |
| Purity                     | Synthetic 20 amino acid peptide from C-terminus of human GPRC5B. Percent identity with other species by BLAST analysis: Human, Gorilla, Gibbon, Monkey, Marmoset (100%), Orangutan (95%), Panda, Dog, Bovine, Horse, Turkey (90%), Pig, Opossum (85%). |
| Target                     | Human GPRC5B. BLAST analysis of the peptide immunogen showed no homology with other human proteins.                                                                                                                                                    |
| Antibody Type              | Polyclonal Antibody                                                                                                                                                                                                                                    |

|                    |                         |
|--------------------|-------------------------|
| Application Dilute | IHC-P (2 - 5 µg/ml)     |
| Application Notes  | Immunoaffinity purified |
