## Product Datasheet

### Annexin A1 Antibody, Unconjugated, Rabbit, Polyclonal AFB-AF5154

|                            |                                                                                                                              |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Annexin A1 Antibody, Unconjugated, Rabbit, Polyclonal                                                                        |
| Biozol Catalog Number      | AFB-AF5154                                                                                                                   |
| Supplier Catalog Number    | AF5154                                                                                                                       |
| Alternative Catalog Number | AFB-AF5154-100,AFB-AF5154-200                                                                                                |
| Manufacturer               | Affinity Biosciences                                                                                                         |
| Host                       | Rabbit                                                                                                                       |
| Category                   | Antikörper                                                                                                                   |
| Application                | IHC, WB                                                                                                                      |
| Species Reactivity         | Human, Mouse, Rat                                                                                                            |
| Immunogen                  | A synthesized peptide derived from human Annexin A1, corresponding to a region within the internal amino acids.              |
| Conjugation                | Unconjugated                                                                                                                 |
| Clonality                  | Polyclonal                                                                                                                   |
| Purity                     | The antiserum was purified by peptide affinity chromatography using SulfoLink(TM) Coupling Resin (Thermo Fisher Scientific). |
| Form                       | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                           |
| Antibody Type              | Primary Antibody                                                                                                             |
| Application Dilute         | WB 1:500-1:2000, IHC 1:50-1:200                                                                                              |
