## Product Datasheet

### **RAT ANTI MOUSE CD16/CD32:FITC, IgG2b, Clone: [FCR4G8], Rat, Monoclonal LIN-MAK2305F**

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | RAT ANTI MOUSE CD16/CD32:FITC, IgG2b, Clone: [FCR4G8], Rat, Monoclonal |
| Biozol Catalog Number      | LIN-MAK2305F                                                           |
| Supplier Catalog Number    | LIN-MAK2305F                                                           |
| Alternative Catalog Number | LIN-MAK2305F                                                           |
| Manufacturer               | Linaris                                                                |
| Host                       | Rat                                                                    |
| Category                   | Antikörper                                                             |
| Application                | FC                                                                     |
| Species Reactivity         | Mouse                                                                  |
| Immunogen                  | PU5 1.8 IOE7 Balb/c mouse cell line.                                   |
| Conjugation                | FITC                                                                   |
| Clonality                  | Monoclonal                                                             |
| Concentration              | IgG concentration 0.1 mg/ml                                            |
| Clone Designation          | [FCR4G8]                                                               |
| Isotype                    | IgG2b                                                                  |
| Buffer                     | Phosphate buffered saline                                              |
