### MOUSE ANTI SHEEP MHC CLASS II DQ DR POLYMORPHIC:FITC LIN-MAK2228F

|                            |                                                      |
|----------------------------|------------------------------------------------------|
| Article Name               | MOUSE ANTI SHEEP MHC CLASS II DQ DR POLYMORPHIC:FITC |
| Biozol Catalog Number      | LIN-MAK2228F                                         |
| Supplier Catalog Number    | LIN-MAK2228F                                         |
| Alternative Catalog Number | LIN-MAK2228F                                         |
| Manufacturer               | Linaris                                              |
| Host                       | Mouse                                                |
| Category                   | Antikörper                                           |
| Application                | FC                                                   |
| Species Reactivity         | Sheep                                                |
| Conjugation                | FITC                                                 |
| Clonality                  | Monoclonal                                           |
| Concentration              | IgG concentration 0.1 mg/ml                          |
| Clone Designation          | [49.1]                                               |
| Isotype                    | IgG2a                                                |
| Buffer                     | Phosphate buffered saline                            |
