## Product Datasheet

### **MOUSE ANTI RAT RETICULUM CELLS, IgG1, Clone: [ED11], Mouse, Monoclonal LIN-MAK0733R**

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | MOUSE ANTI RAT RETICULUM CELLS, IgG1, Clone: [ED11], Mouse, Monoclonal |
| Biozol Catalog Number      | LIN-MAK0733R                                                           |
| Supplier Catalog Number    | LIN-MAK0733R                                                           |
| Alternative Catalog Number | LIN-MAK0733R                                                           |
| Manufacturer               | Linaris                                                                |
| Host                       | Mouse                                                                  |
| Category                   | Antikörper                                                             |
| Application                | ELISA, FC, IH-Fr                                                       |
| Species Reactivity         | Rat                                                                    |
| Immunogen                  | Rat spleen cell homogenate.                                            |
| Clonality                  | Monoclonal                                                             |
| Concentration              | IgG concentration 1.0 mg/ml                                            |
| Clone Designation          | [ED11]                                                                 |
| Isotype                    | IgG1                                                                   |
| Buffer                     | Phosphate buffered saline                                              |
