## Product Datasheet

### **HSP70-A1 (low endotoxin) (mouse), (recombinant)** **ENZ-ADI-ESP-502-D**

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | HSP70-A1 (low endotoxin) (mouse), (recombinant)                    |
| Biozol Catalog Number      | ENZ-ADI-ESP-502-D                                                  |
| Supplier Catalog Number    | ADI-ESP-502-D                                                      |
| Alternative Catalog Number | ENZ-ADI-ESP-502-D-50                                               |
| Manufacturer               | Enzo Life Sciences                                                 |
| Category                   | Proteine/Peptide                                                   |
| Application                | Activity Assay, WB                                                 |
| Product Description        | HSP70-A1 (low endotoxin) (mouse), (recombinant)...                 |
| Molecular Weight           | ~70kDa (observed)                                                  |
| UniProt                    | <a href="#">Q61696</a>                                             |
| Source                     | Produced in E. coli.                                               |
| Purity                     | Purified by multi-step chromatography.                             |
| Form                       | Liquid. In 1x Dulbeccos PBS, pH 7.4, containing 5.0mM glutathione. |
| Target                     | HSP70                                                              |
| Application Notes          | ATPase activity assay (positive). Western blot control.            |
