| Manufacturer               | Enzo Life Sciences                                                                                                  |
| Host                       | Mouse                                                                                                               |
| Category                   | Antikörper                                                                                                          |
| Application                | ELISA, FC, IF, IHC, IP, WB                                                                                          |
| Species Reactivity         | Canine, Xenopus, Sheep, Drosophila, Mouse, Rat, Monkey, Bovine, Hamster, Guinea pig, Porcine, Human, Rabbit, Gallus |
| Immunogen                  | Recombinant human Hsp60.                                                                                            |
| Product Description        | HSP60 monoclonal antibody (LK-1)...                                                                                 |
| Clonality                  | Monoclonal                                                                                                          |
| Clone Designation          | [LK-1]                                                                                                              |
| Isotype                    | IgG1                                                                                                                |
| UniProt                    | <a href="#">P10809</a>                                                                                              |
| Source                     | Purified from ascites.                                                                                              |
| Purity                     | Protein G affinity purified.                                                                                        |

|                   |                                                                         |
|-------------------|-------------------------------------------------------------------------|
| Form              | Liquid. In PBS, pH 7.2, containing 50% glycerol and 0.09% sodium azide. |
| Target            | HSP60                                                                   |
| Application Notes | Detects a band of ~60kDa by Western blot.                               |
