| Article Name               | HSC70/HSP73 monoclonal antibody (1B5)                                                                   |
| Biozol Catalog Number      | ENZ-ADI-SPA-815-D                                                                                       |
| Supplier Catalog Number    | ADI-SPA-815-D                                                                                           |
| Alternative Catalog Number | ENZ-ADI-SPA-815-D-50                                                                                    |
| Manufacturer               | Enzo Life Sciences                                                                                      |
| Host                       | Rat                                                                                                     |
| Category                   | Antikörper                                                                                              |
| Application                | ELISA, EM, FC, ICC, IF, IHC, IP, WB                                                                     |
| Species Reactivity         | Canine, Sheep, Mouse, Rat, Monkey, Bovine, Hamster, Reptile, Guinea pig, Porcine, Human, Rabbit, Gallus |
| Immunogen                  | Native hamster Hsc70 (Hsp73).                                                                           |
| Product Description        | HSC70/HSP73 monoclonal antibody (1B5)...                                                                |
| Clonality                  | Monoclonal                                                                                              |
| Clone Designation          | [1B5]                                                                                                   |
| Isotype                    | IgG2a                                                                                                   |
| UniProt                    | <a href="#">P19378</a>                                                                                  |
| Source                     | Purified from ascites.                                                                                  |
| Purity                     | Protein G affinity purified.                                                                            |

|                   |                                                                         |
|-------------------|-------------------------------------------------------------------------|
| Form              | Liquid. In PBS, pH 7.2, containing 50% glycerol and 0.09% sodium azide. |
| Target            | HSP70                                                                   |
| Application Notes | Detects a band of ~73kDa by Western blot.                               |
