## Product Datasheet

### **IL-6 (mouse), (recombinant)** **ENZ-ALX-201-819-0010**

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | IL-6 (mouse), (recombinant)                                                |
| Biozol Catalog Number      | ENZ-ALX-201-819-0010                                                       |
| Supplier Catalog Number    | ALX-201-819-0010                                                           |
| Alternative Catalog Number | ENZ-ALX-201-819-0010-10                                                    |
| Manufacturer               | Enzo Life Sciences                                                         |
| Category                   | Proteine/Peptide                                                           |
| Product Description        | IL-6 (mouse), (recombinant)...                                             |
| Molecular Weight           | ~21.7kDa                                                                   |
| UniProt                    | <a href="#">P08505</a>                                                     |
| Source                     | Produced in E. coli. Non-glycosylated protein, containing 187 amino acids. |
| Purity                     | 95% (HPLC, Reducing and Non-reducing SDS-PAGE, UV spectroscopy at 280 nm)  |
| Form                       | Lyophilized. Sterile filtered.                                             |
| Target                     | IL-6                                                                       |
