## Product Datasheet

### DMPO monoclonal antibody (1) ENZ-ALX-803-340-C100

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| Article Name               | DMPO monoclonal antibody (1)                                            |
| Biozol Catalog Number      | ENZ-ALX-803-340-C100                                                    |
| Supplier Catalog Number    | ALX-803-340-C100                                                        |
| Alternative Catalog Number | ENZ-ALX-803-340-C100-100                                                |
| Manufacturer               | Enzo Life Sciences                                                      |
| Host                       | Mouse                                                                   |
| Category                   | Antikörper                                                              |
| Application                | ELISA, IP, WB                                                           |
| Species Reactivity         | All                                                                     |
| Immunogen                  | DMPO-octanoic acid conjugated to ovalbumin.                             |
| Product Description        | DMPO monoclonal antibody (1)...                                         |
| Clonality                  | Monoclonal                                                              |
| Source                     | Hybridoma tissue culture supernatant.                                   |
| Purity                     | Protein G-affinity purified.                                            |
| Form                       | Liquid. In PBS, pH 7.4, containing 10% glycerol and 0.02% sodium azide. |
| Target                     | DMPO                                                                    |
