## Product Datasheet

### Calnexin monoclonal antibody (AF18) ENZ-ALX-804-014-R100

|                            |                                                               |
|----------------------------|---------------------------------------------------------------|
| Article Name               | Calnexin monoclonal antibody (AF18)                           |
| Biozol Catalog Number      | ENZ-ALX-804-014-R100                                          |
| Supplier Catalog Number    | ALX-804-014-R100                                              |
| Alternative Catalog Number | ENZ-ALX-804-014-R100-100                                      |
| Manufacturer               | Enzo Life Sciences                                            |
| Host                       | Mouse                                                         |
| Category                   | Antikörper                                                    |
| Application                | ICC, IP, WB                                                   |
| Species Reactivity         | Mouse, Human                                                  |
| Immunogen                  | Focus human hepatoma cell line.                               |
| Product Description        | Calnexin monoclonal antibody (AF18)...                        |
| Clonality                  | Monoclonal                                                    |
| Clone Designation          | [AF18]                                                        |
| Isotype                    | IgG1                                                          |
| UniProt                    | <a href="#">P27824</a>                                        |
| Form                       | Liquid. Ascites diluted in PBS containing 0.05% sodium azide. |
| Target                     | Calnexin                                                      |
| Application Notes          | Detects a band of ~90kDa by Western blot.                     |
