## Product Datasheet

### **HSP60 (bacterial) monoclonal antibody (A57-E4) ENZ-ALX-804-071-R100**

|                            |                                                                  |
|----------------------------|------------------------------------------------------------------|
| Article Name               | HSP60 (bacterial) monoclonal antibody (A57-E4)                   |
| Biozol Catalog Number      | ENZ-ALX-804-071-R100                                             |
| Supplier Catalog Number    | ALX-804-071-R100                                                 |
| Alternative Catalog Number | ENZ-ALX-804-071-R100-100                                         |
| Manufacturer               | Enzo Life Sciences                                               |
| Host                       | Mouse                                                            |
| Category                   | Antikörper                                                       |
| Application                | WB                                                               |
| Species Reactivity         | Bacteria, E. coli                                                |
| Immunogen                  | Recombinant Chlamydia trachomatis HSP60 (heat shock protein 60). |
| Product Description        | HSP60 (bacterial) monoclonal antibody (A57-E4)...                |
| Clonality                  | Monoclonal                                                       |
| Clone Designation          | [A57-E4]                                                         |
| Isotype                    | IgG1                                                             |
| UniProt                    | <a href="#">P0C0Z7</a>                                           |
| Form                       | Liquid. Ascites diluted in PBS containing 0.05% sodium azide.    |
| Target                     | HSP60                                                            |
| Application Notes          | Detects a band of ~60kDa by Western blot.                        |
