## Product Datasheet

### OMNICATHEPSIN fluorogenic substrate, CAS [[65147-22-0]] ENZ-BML-P139-0010

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| Article Name               | OMNICATHEPSIN fluorogenic substrate, CAS [[65147-22-0]]                               |
| Biozol Catalog Number      | ENZ-BML-P139-0010                                                                     |
| Supplier Catalog Number    | BML-P139-0010                                                                         |
| Alternative Catalog Number | ENZ-BML-P139-0010-10                                                                  |
| Manufacturer               | Enzo Life Sciences                                                                    |
| Category                   | Biochemikalien                                                                        |
| Product Description        | OMNICATHEPSIN fluorogenic substrate...                                                |
| Molecular Weight           | 649.2                                                                                 |
| Purity                     | 99%                                                                                   |
| Sequence                   | Z-FR-AMC, Z-Phe-Arg-AMC . HCl [Z=Cbz=Benzyloxycarbonyl, AMC=7-amino-4-methylcoumarin] |
| CAS Number                 | [65147-22-0]                                                                          |
| Formula                    | C33H36N6O6 . HCl                                                                      |
| Target                     | Cathepsin  Kallikrein  Papain                                                         |
