| Manufacturer               | Enzo Life Sciences                                                                                                             |
| Host                       | Rabbit                                                                                                                         |
| Category                   | Antikörper                                                                                                                     |
| Application                | WB                                                                                                                             |
| Species Reactivity         | Human                                                                                                                          |
| Immunogen                  | Synthetic peptide corresponding to aa 1071-1084 of human HDAC4.                                                                |
| Product Description        | HDAC4 polyclonal antibody...                                                                                                   |
| Clonality                  | Polyclonal                                                                                                                     |
| UniProt                    | <a href="#">P56524</a>                                                                                                         |
| Form                       | Liquid. In PBS containing 1mg/ml BSA and 0.05% sodium azide.                                                                   |
| Target                     | HDAC  HDAC4                                                                                                                    |
| Application Notes          | Detects a band of ~140kDa by Western blot. Also detects a band of ~110kDa which may correspond to protein degradation product. |
