## Product Datasheet

### **TRAIL (soluble) (human), (recombinant) (His-tag)** **ENZ-BML-SE721-0100**

|                            |                                                                      |
|----------------------------|----------------------------------------------------------------------|
| Article Name               | TRAIL (soluble) (human), (recombinant) (His-tag)                     |
| Biozol Catalog Number      | ENZ-BML-SE721-0100                                                   |
| Supplier Catalog Number    | BML-SE721-0100                                                       |
| Alternative Catalog Number | ENZ-BML-SE721-0100-100                                               |
| Manufacturer               | Enzo Life Sciences                                                   |
| Category                   | Proteine/Peptide                                                     |
| Species Reactivity         | Mouse, Human                                                         |
| Product Description        | TRAIL (soluble) (human), (recombinant) (His-tag)...                  |
| Molecular Weight           | ~23kDa                                                               |
| UniProt                    | <a href="#">P50591</a>                                               |
| Source                     | Produced in E. coli. Human TRAIL (aa 114-281) is fused to a His-tag. |
| Purity                     | Purified by multi-step chromatography.                               |
| Form                       | Liquid. In PBS, containing 10% glycerol and 0.1mM DTT.               |
| Target                     | TRAIL                                                                |
