## Product Datasheet

### **Proteasome 19S Rpn10/S5a subunit (human), (recombinant) (GST-tag) ENZ-BML-UW8465-0100**

|                            |                                                                      |
|----------------------------|----------------------------------------------------------------------|
| Article Name               | Proteasome 19S Rpn10/S5a subunit (human), (recombinant) (GST-tag)    |
| Biozol Catalog Number      | ENZ-BML-UW8465-0100                                                  |
| Supplier Catalog Number    | BML-UW8465-0100                                                      |
| Alternative Catalog Number | ENZ-BML-UW8465-0100-100                                              |
| Manufacturer               | Enzo Life Sciences                                                   |
| Category                   | Proteine/Peptide                                                     |
| Application                | Activity Assay                                                       |
| Product Description        | Proteasome 19S Rpn10/S5a subunit (human), (recombinant) (GST-tag)... |
| Molecular Weight           | ~78kDa (observed)                                                    |
| UniProt                    | <a href="#">P55036</a>                                               |
| Source                     | Produced in E. coli.                                                 |
| Purity                     | Purified by multi-step chromatography.                               |
| Form                       | Liquid. In 20mM TRIS, pH 7.5, containing 500mM sodium chloride.      |
| Target                     | Proteasome 19S                                                       |
| Application Notes          | Useful for the isolation of multi-ubiquitinated proteins.            |
