### APP polyclonal antibody ENZ-ENZ-ABS226-0100

|                            |                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------|
| Article Name               | APP polyclonal antibody                                                           |
| Biozol Catalog Number      | ENZ-ENZ-ABS226-0100                                                               |
| Supplier Catalog Number    | ENZ-ABS226-0100                                                                   |
| Alternative Catalog Number | ENZ-ENZ-ABS226-0100-100                                                           |
| Manufacturer               | Enzo Life Sciences                                                                |
| Host                       | Rabbit                                                                            |
| Category                   | Antikörper                                                                        |
| Application                | ELISA, IP, WB                                                                     |
| Species Reactivity         | Mouse, Human                                                                      |
| Immunogen                  | Synthetic peptide corresponding to the sequence near the C-terminus of human APP. |
| Product Description        | APP polyclonal antibody...                                                        |
| Clonality                  | Polyclonal                                                                        |
| UniProt                    | <a href="#">P05067</a>                                                            |
| Source                     | Purified from rabbit serum.                                                       |
| Purity                     | Peptide affinity purified.                                                        |
| Form                       | Liquid. In PBS containing 0.09% sodium azide.                                     |
| Target                     | Amyloid beta  Amyloid precursor protein                                           |
