| Article Name               | Hapten 4-hydroxy-3-nitrophenyl acetyl NP Recombinant monoclonal antibody (B1-8) (Mouse IgG3lambda)    |
| Biozol Catalog Number      | ENZ-ENZ-ABS525-0200                                                                                   |
| Supplier Catalog Number    | ENZ-ABS525-0200                                                                                       |
| Alternative Catalog Number | ENZ-ENZ-ABS525-0200-200                                                                               |
| Manufacturer               | Enzo Life Sciences                                                                                    |
| Host                       | Mouse                                                                                                 |
| Category                   | Antikörper                                                                                            |
| Application                | FC, WB                                                                                                |
| Immunogen                  | Hapten-protein conjugated NP12-chicken gammaglobulin (CG).                                            |
| Product Description        | Hapten 4-hydroxy-3-nitrophenyl acetyl NP Recombinant monoclonal antibody (B1-8) (Mouse IgG3lambda)... |
| Clonality                  | Monoclonal                                                                                            |
| Clone Designation          | [B1-8]                                                                                                |
| Purity                     | Protein A affinity purified.                                                                          |
| Form                       | Liquid. In PBS containing 0.02% Proclin 300.                                                          |
| Target                     | Hapten 4-hydroxy-3-nitrophenyl acetyl                                                                 |
| Application Notes          | Negative control                                                                                      |
