## Product Datasheet

### Calreticulin monoclonal antibody (FMC 75) (PE conjugate) ENZ-ENZ-ABS668PE-0200

|                            |                                                             |
|----------------------------|-------------------------------------------------------------|
| Article Name               | Calreticulin monoclonal antibody (FMC 75) (PE conjugate)    |
| Biozol Catalog Number      | ENZ-ENZ-ABS668PE-0200                                       |
| Supplier Catalog Number    | ENZ-ABS668PE-0200                                           |
| Alternative Catalog Number | ENZ-ENZ-ABS668PE-0200-200                                   |
| Manufacturer               | Enzo Life Sciences                                          |
| Host                       | Mouse                                                       |
| Category                   | Antikörper                                                  |
| Application                | FC                                                          |
| Species Reactivity         | Human, Monkey                                               |
| Immunogen                  | Recombinant calreticulin.                                   |
| Conjugation                | PE                                                          |
| Product Description        | Calreticulin monoclonal antibody (FMC 75) (PE conjugate)... |
| Clonality                  | Monoclonal                                                  |
| Clone Designation          | [FMC 75]                                                    |
| UniProt                    | <a href="#">P27797</a>                                      |
| Source                     | Purified from hybridoma tissue culture supernatant          |
| Purity                     | Protein G affinity purified.                                |
| Form                       | Liquid. In PBS, pH 7.2, containing 0.09% sodium azide.      |

|        |              |
