## Product Datasheet

### Coronavirus (SARS-CoV NP) antigen, (recombinant) (His-tag) ENZ-ENZ-PRT292-0020

|                            |                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------|
| Article Name               | Coronavirus (SARS-CoV NP) antigen, (recombinant) (His-tag)                                |
| Biozol Catalog Number      | ENZ-ENZ-PRT292-0020                                                                       |
| Supplier Catalog Number    | ENZ-PRT292-0020                                                                           |
| Alternative Catalog Number | ENZ-ENZ-PRT292-0020-20                                                                    |
| Manufacturer               | Enzo Life Sciences                                                                        |
| Category                   | Proteine/Peptide                                                                          |
| Application                | ELISA, WB                                                                                 |
| Product Description        | Coronavirus (SARS-CoV NP) antigen, (recombinant) (His-tag)...                             |
| Molecular Weight           | 48 kDa                                                                                    |
| Source                     | Produced in E. coli. Coronavirus (SARS-CoV) nucleoprotein (422 aa) is fused to a His-tag. |
| Purity                     | 95%                                                                                       |
| Form                       | Lyophilized.                                                                              |
| Target                     | Coronavirus                                                                               |
