| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | FC, IF, IHC, WB                                                                                                                                                                                                                                               |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                  | Recombinant fragment of human NFIA protein corresponding to protein domain                                                                                                                                                                                    |
| Product Description        | NF-1, also designated CTF, consists of a family of CCAAT-box-binding proteins that stimulate DNA replication and activate transcription. Analysis of human NF-1 messenger RNA has revealed two forms of the NF-1 protein arising from an alternate splicin... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [PCRP-NFIA-2C6]                                                                                                                                                                                                                                               |
| Molecular Weight           | 55kDa                                                                                                                                                                                                                                                         |
| Isotype                    | IgG2c                                                                                                                                                                                                                                                         |

|                   |                                                                                                                                                                                                                                                                |
