| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Immunogen                  | Recombinant full-length human CK8 and CK8 proteins                                                                                                                                                                                                            |
| Product Description        | Cytokeratin 8 (CK8) belongs to the type II (or B or basic) subfamily of high molecular weight cytokeratins and exists in combination with cytokeratin 18 (CK18). This MAb cocktail recognizes all simple epithelia including glandular epithelium, for exa... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [KRT8.18/4997R]                                                                                                                                                                                                                                               |
| Molecular Weight           | 52.5kDa (CK8), 45kDa (CK18)                                                                                                                                                                                                                                   |
| NCBI                       | <a href="#">3856</a>                                                                                                                                                                                                                                          |

|                   |                                                                                                                                                                                                                                                             |
