### AKT Peptide ROC-000-000-401

|                            |                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------|
| Article Name               | AKT Peptide                                                                         |
| Biozol Catalog Number      | ROC-000-000-401                                                                     |
| Supplier Catalog Number    | 000-000-401                                                                         |
| Alternative Catalog Number | ROC-000-000-401                                                                     |
| Manufacturer               | Rockland Immunochemicals                                                            |
| Category                   | Proteine/Peptide                                                                    |
| Conjugation                | Unconjugated                                                                        |
| Concentration              | 1.0 mg/mL by dry weight                                                             |
| Buffer                     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                          |
| Source                     | Human                                                                               |
| Form                       | Liquid (sterile filtered)                                                           |
| Application Notes          | Akt blocking peptide should be used at 1.0 µg per 1.0 µl of antiserum in per assay. |
