### **Rabbit IgG anti-Rat IgG (F(ab)2)-HRPO, MinX none ROC-212-4304**

|                            |                                                         |
|----------------------------|---------------------------------------------------------|
| Article Name               | Rabbit IgG anti-Rat IgG (F(ab)2)-HRPO, MinX none        |
| Biozol Catalog Number      | ROC-212-4304                                            |
| Supplier Catalog Number    | 212-4304                                                |
| Alternative Catalog Number | ROC-212-4304                                            |
| Manufacturer               | Rockland Immunochemicals                                |
| Host                       | Rabbit                                                  |
| Category                   | Antikörper                                              |
| Application                | ELISA,IHC,WB                                            |
| Species Reactivity         | Rat                                                     |
| Immunogen                  | Rat IgG F(ab)2 fragment                                 |
| Conjugation                | HRPO                                                    |
| Format                     | IgG                                                     |
| Target Specificity         | IgG (F(ab')2)                                           |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                     |
| Clonality                  | Polyclonal                                              |
| Concentration              | 10.0 mg/mL by UV absorbance at 280 nm                   |
| Buffer                     | 0.01 M Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2 |
| Form                       | Lyophilized                                             |

|                    |                                                                                                                                                                            |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | Rat                                                                                                                                                                        |
| Antibody Type      | Secondary Antibody                                                                                                                                                         |
| Application Dilute | ELISA: 1:10,000 - 1:50,000, IHC: 1:500 - 1:2,500, WB: 1:1,000 - 1:10,000                                                                                                   |
| Application Notes  | Anti-Rat IgG F(ab)2 antibody is suitable for use in ELISA, immunohistochemistry, and western blot. Specific conditions for reactivity should be optimized by the end user. |
