### Rabbit IgG anti-Sheep IgG (H+L)-HRPO, MinX none ROC-213-4302

|                            |                                                            |
|----------------------------|------------------------------------------------------------|
| Article Name               | Rabbit IgG anti-Sheep IgG (H+L)-HRPO, MinX none            |
| Biozol Catalog Number      | ROC-213-4302                                               |
| Supplier Catalog Number    | 213-4302                                                   |
| Alternative Catalog Number | ROC-213-4302                                               |
| Manufacturer               | Rockland Immunochemicals                                   |
| Host                       | Rabbit                                                     |
| Category                   | Antikörper                                                 |
| Application                | ELISA,IHC,WB                                               |
| Species Reactivity         | Sheep                                                      |
| Immunogen                  | Sheep IgG whole molecule                                   |
| Conjugation                | HRPO                                                       |
| Format                     | IgG                                                        |
| Target Specificity         | IgG (H+L)                                                  |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                        |
| Clonality                  | Polyclonal                                                 |
| Concentration              | 10.0 mg/mL by UV absorbance at 280 nm                      |
| Buffer                     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2 |
| Form                       | Lyophilized                                                |

|                    |                                                                                                                                                                       |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | Sheep                                                                                                                                                                 |
| Antibody Type      | Secondary Antibody                                                                                                                                                    |
| Application Dilute | ELISA: 1:20,000 - 1:100,000, IHC: 1:1,000 - 1:5,000, WB: 1:2,000 - 1:10,000                                                                                           |
| Application Notes  | Anti-Sheep IgG antibody is suitable for use in ELISA, immunohistochemistry, and western blot. Specific conditions for reactivity should be optimized by the end user. |
