| Biozol Catalog Number      | ROC-600-401-DZ8                                                                                                                                            |
| Supplier Catalog Number    | 600-401-DZ8                                                                                                                                                |
| Alternative Catalog Number | ROC-600-401-DZ8                                                                                                                                            |
| Manufacturer               | Rockland Immunochemicals                                                                                                                                   |
| Host                       | Rabbit                                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                                 |
| Application                | ELISA, IHC                                                                                                                                                 |
| Species Reactivity         | Human                                                                                                                                                      |
| Immunogen                  | Anti-RIM2 antibody was prepared from whole rabbit serum produced by repeated immunizations with a 16 amino acid peptide near the C-terminus of human RIM2. |
| Conjugation                | Unconjugated                                                                                                                                               |
| Clonality                  | Polyclonal                                                                                                                                                 |
| Concentration              | 1 mg/mL by UV absorbance at 280 nm                                                                                                                         |
| NCBI                       | <a href="#">9699</a>                                                                                                                                       |
| UniProt                    | <a href="#">Q9UQ26</a>                                                                                                                                     |
| Buffer                     | 0.01 M Sodium Phosphate, 0.25 M Sodium Chloride, pH 7.2                                                                                                    |
| Form                       | Liquid (sterile filtered)                                                                                                                                  |

|                    |                                                                                                                                                                                                                                                      |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | Human                                                                                                                                                                                                                                                |
| Antibody Type      | Primary Antibody                                                                                                                                                                                                                                     |
| Application Dilute | ELISA: User Optimized, IHC: 5 µg/mL                                                                                                                                                                                                                  |
| Application Notes  | Anti-RIM2 Antibody has been tested for use in ELISA, and Immunohistochemistry. Specific conditions for reactivity should be optimized by the end user. Expect a band at approximately 160 kDa in Western Blots of specific cell lysates and tissues. |
