| Alternative Catalog Number | ROC-600-401-EW0                                                                                                                                                               |
| Manufacturer               | Rockland Immunochemicals                                                                                                                                                      |
| Host                       | Rabbit                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                    |
| Application                | ELISA, WB                                                                                                                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                             |
| Immunogen                  | Anti-Stella antibody was prepared from whole rabbit serum produced by repeated immunizations with a 13 amino acid synthetic peptide from near the C-terminus of human Stella. |
| Conjugation                | Unconjugated                                                                                                                                                                  |
| Clonality                  | Polyclonal                                                                                                                                                                    |
| Concentration              | 1 mg/mL by UV absorbance at 280 nm                                                                                                                                            |
| NCBI                       | <a href="#">359787</a>                                                                                                                                                        |
| UniProt                    | <a href="#">Q6W0C5</a>                                                                                                                                                        |
| Buffer                     | 0.01 M Sodium Phosphate, 0.25 M Sodium Chloride, pH 7.2                                                                                                                       |
| Form                       | Liquid (sterile filtered)                                                                                                                                                     |

|                    |                                                                                                                                                                                                                                                  |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | Human                                                                                                                                                                                                                                            |
| Antibody Type      | Primary Antibody                                                                                                                                                                                                                                 |
| Application Dilute | ELISA: 1:10,000 - 1:20,000, WB: 1-2 µg/mL                                                                                                                                                                                                        |
| Application Notes  | Anti-Stella Antibody has been tested for use in ELISA and Western Blotting. Specific conditions for reactivity should be optimized by the end user. Expect a band at approximately 18 kDa in Western Blots of specific cell lysates and tissues. |
