| Product Description        | ID3 antibody LS-C346080 is an unconjugated rabbit polyclonal antibody to ID3 from human. It is reactive with human, mouse and rat. Validated for IF, IHC and WB....                                                                             |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                      |
| NCBI                       | <a href="#">3399</a>                                                                                                                                                                                                                            |
| Buffer                     | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                                                                                                                                                                                   |

|                    |                                                                             |
|--------------------|-----------------------------------------------------------------------------|
| Purity             | Affinity purified                                                           |
| Form               | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                               |
| Application Dilute | IF (1:50 - 1:100), IHC (1:50 - 1:200), WB (1:500 - 1:2000)                  |
| Application Notes  | The predicted MW is 12kDa, while the observed MW by Western blot was 62kDa. |
