| Species Reactivity         | Human                                                                                                                                                                                                   |
| Immunogen                  | Synthetic peptide from N-Terminus of human PPP1CA / PP1-Alpha                                                                                                                                           |
| Conjugation                | Unconjugated                                                                                                                                                                                            |
| Product Description        | PP1-Alpha antibody LS-B10253 is an unconjugated mouse monoclonal antibody to human PP1-Alpha (PPP1CA) (N-Terminus). Validated for ICC, IF, IHC and WB. Tested on 20 paraffin-embedded human tissues.... |
| Clonality                  | Monoclonal                                                                                                                                                                                              |
| NCBI                       | <a href="#">5499</a>                                                                                                                                                                                    |
| Buffer                     | 0.1M Tris-Glycine, pH 7.4, 150 mM NaCl, 0.2% sodium azide, 50% glycerol                                                                                                                                 |

|                    |                                                                         |
|--------------------|-------------------------------------------------------------------------|
| Purity             | Affinity purified                                                       |
| Form               | 0.1M Tris-Glycine, pH 7.4, 150 mM NaCl, 0.2% sodium azide, 50% glycerol |
| Application Dilute | ICC (1:200 - 1:400), IF, IHC, IHC-P (1:50), WB (1:1000)                 |
| Application Notes  | ICC (1:200 - 1:400), IF, IHC, IHC-P (1:50), WB (1:1000)                 |
