| Alternative Catalog Number | LS-B12367-50                                                                                                                                                                                         |
| Manufacturer               | LifeSpan Biosciences                                                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                                                               |
| Category                   | Antikörper                                                                                                                                                                                           |
| Application                | ICC, IF, IHC, IHC-P, WB                                                                                                                                                                              |
| Species Reactivity         | Human                                                                                                                                                                                                |
| Immunogen                  | Recombinant protein encompassing a sequence within the C-terminus region of human BCKDHA. The exact sequence is proprietary.                                                                         |
| Conjugation                | Unconjugated                                                                                                                                                                                         |
| Product Description        | BCKDE1A antibody LS-B12367 is an unconjugated rabbit polyclonal antibody to human BCKDE1A (BCKDHA) (C-Terminus). Validated for ICC, IF, IHC and WB. Tested on 20 paraffin-embedded human tissues.... |
| Clonality                  | Polyclonal                                                                                                                                                                                           |
| Concentration              | 1 mg/ml                                                                                                                                                                                              |

|                    |                                                                                                                                                                                                                                                                |

| NCBI               | <a href="#">593</a>                                                                                                                                                                                                                                            |
| Buffer             | 1X PBS, pH 7, 0.01% Thimerosal, 20% Glycerol, 1% BSA                                                                                                                                                                                                           |
| Purity             | Immunoaffinity purified                                                                                                                                                                                                                                        |
| Form               | 1X PBS, pH 7, 0.01% Thimerosal, 20% Glycerol, 1% BSA                                                                                                                                                                                                           |
| Application Dilute | ICC (1:100 - 1:1000), IF (1:100 - 1:1000), IHC, IHC-P (5 µg/ml), WB (1:500 - 1:3000)                                                                                                                                                                           |
| Application Notes  | Suggested starting dilutions are as follows: Western blot: 1:500-1:3000, IHC-Paraffin: 1:200 [suggested antigen retrieval using heat mediated 10 mM Citrate buffer (pH 6.0) or Tris-EDTA buffer (pH 8.0)], ICC/IF: 1:100-1:1000. Not yet tested in other appli |
