| Host                       | Rabbit                                                                                                                                  |
| Category                   | Antikörper                                                                                                                              |
| Application                | ELISA, IF                                                                                                                               |
| Species Reactivity         | Human                                                                                                                                   |
| Immunogen                  | Synthetic peptide from human NMUR1. (AA Range: 1-50)                                                                                    |
| Conjugation                | Unconjugated                                                                                                                            |
| Product Description        | NMUR1 antibody LS-C120756 is an unconjugated rabbit polyclonal antibody to human NMUR1 (aa1-50). Validated for IF and Peptide-ELISA.... |
| Clonality                  | Polyclonal                                                                                                                              |
| Concentration              | 1 mg/ml                                                                                                                                 |
| NCBI                       | <a href="#">10316</a>                                                                                                                   |
| Buffer                     | PBS (without Mg <sup>2+</sup> , Ca <sup>2+</sup> ), pH 7.4, 150 mM NaCl, 0.02% Sodium Azide, 50% Glycerol                               |

|                    |                                                                                                           |
|--------------------|-----------------------------------------------------------------------------------------------------------|
| Purity             | Immunoaffinity purified                                                                                   |
| Form               | PBS (without Mg <sup>2+</sup> , Ca <sup>2+</sup> ), pH 7.4, 150 mM NaCl, 0.02% Sodium Azide, 50% Glycerol |
| Application Dilute | IF (1:100 - 1:500), Peptide-ELISA (1:1000)                                                                |
| Application Notes  | Western Blot: Predicted MW 47 kDa                                                                         |
