| Manufacturer               | LifeSpan Biosciences                                                                                                          |
| Host                       | Mouse                                                                                                                         |
| Category                   | Antikörper                                                                                                                    |
| Application                | FC, IF, IHC, IHC-P, WB                                                                                                        |
| Species Reactivity         | Human                                                                                                                         |
| Immunogen                  | Full length human recombinant protein of human ILVBL (NP_006835) produced in HEK293T cell.                                    |
| Conjugation                | Unconjugated                                                                                                                  |
| Product Description        | ILVBL antibody LS-C173089 is an unconjugated mouse monoclonal antibody to human ILVBL. Validated for Flow, IF, IHC and WB.... |
| Clonality                  | Monoclonal                                                                                                                    |
| Concentration              | 0.47 mg/ml                                                                                                                    |
| Clone Designation          | [OTI4E4]                                                                                                                      |
| Isotype                    | IgG1                                                                                                                          |

|                    |                                                         |
|--------------------|---------------------------------------------------------|
| NCBI               | <a href="#">10994</a>                                   |
| Buffer             | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol, 1% BSA   |
| Purity             | Protein A/G purified                                    |
| Form               | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol, 1% BSA   |
| Application Dilute | Flo (1:100), IF (1:50), IHC, IHC-P (1:150), WB (1:2000) |
| Application Notes  | Flo (1:100), IF (1:50), IHC, IHC-P (1:150), WB (1:2000) |
