| Species Reactivity         | Human                                                                                                                                |
| Conjugation                | Unconjugated                                                                                                                         |
| Product Description        | OCT4 antibody LS-C178299 is an unconjugated mouse monoclonal antibody to human OCT4 (POU5F1). Validated for Flow, ICC, IF and WB.... |
| Clonality                  | Monoclonal                                                                                                                           |
| NCBI                       | <a href="#">5460</a>                                                                                                                 |
| Buffer                     | 0.1M Tris-Glycine, pH 7.4, 150 mM NaCl, 0.2% sodium azide, 50% glycerol                                                              |
| Purity                     | Affinity purified                                                                                                                    |

|                    |                                                                         |
|--------------------|-------------------------------------------------------------------------|
| Form               | 0.1M Tris-Glycine, pH 7.4, 150 mM NaCl, 0.2% sodium azide, 50% glycerol |
| Application Dilute | Flo, ICC, IF, WB                                                        |
| Application Notes  | Flo, ICC, IF, WB                                                        |
