| Category                   | Antikörper                                                                                                              |
| Application                | WB                                                                                                                      |
| Species Reactivity         | Mouse                                                                                                                   |
| Immunogen                  | Recombinant ESAM (Ala29-Ser248) expressed in E. coli.                                                                   |
| Conjugation                | APC                                                                                                                     |
| Product Description        | ESAM antibody LS-C718561 is an APC-conjugated rabbit polyclonal antibody to mouse ESAM (aa29-248). Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                              |
| Concentration              | 0.1 mg/ml                                                                                                               |
| NCBI                       | <a href="#">90952</a>                                                                                                   |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                           |

|                    |                                                                                        |
|--------------------|----------------------------------------------------------------------------------------|
| Purity             | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Dilute | WB                                                                                     |
| Application Notes  | WB                                                                                     |
