| Alternative Catalog Number | LS-C729140-1                                                                                                                       |
| Manufacturer               | LifeSpan Biosciences                                                                                                               |
| Host                       | Rabbit                                                                                                                             |
| Category                   | Antikörper                                                                                                                         |
| Application                | WB                                                                                                                                 |
| Species Reactivity         | Rat                                                                                                                                |
| Immunogen                  | Recombinant PROCR (Glu59-Gly217) expressed in E. coli.                                                                             |
| Conjugation                | APC/Cy7                                                                                                                            |
| Product Description        | EPCR antibody LS-C729140 is an APC, Cy7-conjugated rabbit polyclonal antibody to rat EPCR (PROCR) (aa59-217). Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                                         |
| Concentration              | 0.1 mg/ml                                                                                                                          |
| NCBI                       | <a href="#">10544</a>                                                                                                              |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                      |

|                    |                                                                                        |
|--------------------|----------------------------------------------------------------------------------------|
| Purity             | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Dilute | WB                                                                                     |
| Application Notes  | WB                                                                                     |
