| Host                       | Mouse                                                                                                                           |
| Category                   | Antikörper                                                                                                                      |
| Application                | FC, IF, IHC, WB                                                                                                                 |
| Species Reactivity         | Human                                                                                                                           |
| Immunogen                  | Full length human recombinant protein of human FAHD2A (NP_057128) produced in HEK293T cell.                                     |
| Conjugation                | Unconjugated                                                                                                                    |
| Product Description        | FAHD2A antibody LS-C799323 is an unconjugated mouse monoclonal antibody to human FAHD2A. Validated for Flow, IF, IHC and WB.... |
| Clonality                  | Monoclonal                                                                                                                      |
| Clone Designation          | [OTI5D4]                                                                                                                        |
| Isotype                    | IgG2b                                                                                                                           |
| NCBI                       | <a href="#">51011</a>                                                                                                           |

|                    |                                                  |
|--------------------|--------------------------------------------------|
| Buffer             | PBS, pH 7.3, 8% Trehalose                        |
| Purity             | Purified from ascites.                           |
| Form               | PBS, pH 7.3, 8% Trehalose                        |
| Application Dilute | Flo (1:100), IF (1:100), IHC (1:50), WB (1:2000) |
| Application Notes  | Applications should be user optimized.           |
