| Article Name               | Human IL1F9 Protein (Recombinant His, N-Terminal) - LS-G132802                                         |
| Biozol Catalog Number      | LS-G132802-10                                                                                          |
| Supplier Catalog Number    | LS-G132802-10                                                                                          |
| Alternative Catalog Number | LS-G132802-10                                                                                          |
| Manufacturer               | LifeSpan Biosciences                                                                                   |
| Category                   | Proteine/Peptide                                                                                       |
| Product Description        | IL36G (Interleukin 36 gamma), also known as IL-1F9 and IL-1H1 is a member of the IL-1 family....       |
| Molecular Weight           | 19kDa                                                                                                  |
| Tag                        | His, N-Terminal                                                                                        |
| NCBI                       | <a href="#">56300</a>                                                                                  |
| Source                     | E. coli                                                                                                |
| Purity                     | Greater than 90%                                                                                       |
| Form                       | Lyophilized from 20mM Tris, 150mM NaCl, pH8.0, 1mM EDTA, 1mM DTT, 0.01% SKL, 5% Trehalose, Proclin300. |
