## Product Datasheet

### **Anti-NADP-ME | NADP-malic enzyme, chloroplastic (dicots/monocots), Rabbit, Polyclonal AGR-AS21-4580**

|                            |                                                                                          |
|----------------------------|------------------------------------------------------------------------------------------|
| Article Name               | Anti-NADP-ME   NADP-malic enzyme, chloroplastic (dicots/monocots),<br>Rabbit, Polyclonal |
| Biozol Catalog Number      | AGR-AS21-4580                                                                            |
| Supplier Catalog Number    | AS21-4580                                                                                |
| Alternative Catalog Number | AGR-AS21-4580                                                                            |
| Manufacturer               | Agrisera                                                                                 |
| Host                       | Rabbit                                                                                   |
| Category                   | Antikörper                                                                               |
| Application                | WB                                                                                       |
| Species Reactivity         | Plant                                                                                    |
| Immunogen                  | KLH-conjugated peptide derived from Flaveria trinervia NADP-ME,<br>UniProt: P22178       |
| Clonality                  | Polyclonal                                                                               |
| Molecular Weight           | 71.5   65 kDa (due to N-terminal processing)                                             |
| UniProt                    | <a href="#">P22178</a>                                                                   |
| Purity                     | Antigen affinity purified serum, in PBS pH 7.4                                           |
| Form                       | Lyophilized                                                                              |
| Application Dilute         | 1 : 5000 (WB)                                                                            |
