| Article Name               | anti-Hamster (CHO) Lysosomal Phospholipase A2 Antibody - Affinity Purified, Goat, Polyclonal                                                                   |
| Biozol Catalog Number      | ICL-GLPLA-65ALY                                                                                                                                                |
| Supplier Catalog Number    | GLPLA-65ALY                                                                                                                                                    |
| Alternative Catalog Number | ICL-GLPLA-65ALY-0.5                                                                                                                                            |
| Manufacturer               | ICL                                                                                                                                                            |
| Host                       | Goat                                                                                                                                                           |
| Category                   | Antikörper                                                                                                                                                     |
| Application                | ELISA, WB                                                                                                                                                      |
| Species Reactivity         | Goat                                                                                                                                                           |
| Conjugation                | Unconjugated                                                                                                                                                   |
| Product Description        | Ensure precise detection of lysosomal phospholipase A2 in hamster CHO cells with our affinity-purified antibody, providing accurate and consistent results.... |
| Clonality                  | Polyclonal                                                                                                                                                     |
| Buffer                     | Phosphate buffered saline (PBS), pH 7.2 with Stabilizer                                                                                                        |
| Purity                     | Antigen Affinity Purified                                                                                                                                      |
| Form                       | Lyophilized                                                                                                                                                    |
| Samples                    | Control,Tissue Culture Fluids                                                                                                                                  |

|               |                                    |
