| Article Name               | Anti-Poliovirus Receptor/PVR Antibody Picoband(TM) (monoclonal, 9B9F1), IgG1, Clone: [9B9F1], Mouse, Monoclonal |
| Biozol Catalog Number      | MON23874                                                                                                        |
| Supplier Catalog Number    | MON23874                                                                                                        |
| Alternative Catalog Number | MON23874                                                                                                        |
| Manufacturer               | Monosan                                                                                                         |
| Host                       | Mouse                                                                                                           |
| Category                   | Antikörper                                                                                                      |
| Application                | IHC, WB                                                                                                         |
| Species Reactivity         | Human, Mouse                                                                                                    |
| Immunogen                  | E.coli-derived human Poliovirus Receptor/PVR recombinant protein (Position: D28-E331).                          |
| Clonality                  | Monoclonal                                                                                                      |
| Concentration              | Adding 0.2 ml of distilled water =f 500 µg/ml.                                                                  |
| Clone Designation          | [9B9F1]                                                                                                         |
| Isotype                    | IgG1                                                                                                            |
| Buffer                     | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg Na <sub>3</sub> . |
| Form                       | Lyophilized                                                                                                     |
