| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                                              |
| Immunogen                  | Recombinant fragment (around aa356-475) of human SPTBN2 protein (exact sequence is proprietary)                                                                                                                                                                |
| Product Description        | Spectrin is an actin binding protein that is a major component of the plasma membrane skeleton. Spectrins function as membrane organizers and stabilizers by forming dimers, tetramers and higher polymers. Vertebrate spectrins have two alpha-subunits (...) |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                     |
| Clone Designation          | [SPTBN2/1584]                                                                                                                                                                                                                                                  |
| Molecular Weight           | 246kDa                                                                                                                                                                                                                                                         |
| Isotype                    | IgG1                                                                                                                                                                                                                                                           |

|         |                                                                                                                                                                        |
