| Host                       | Rabbit                                                                                                                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                                                                                                                     |
| Application                | IHC                                                                                                                                                                                                                                                            |
| Species Reactivity         | Human                                                                                                                                                                                                                                                          |
| Immunogen                  | Recombinant full-length human CD39 protein                                                                                                                                                                                                                     |
| Product Description        | CD39, also known as ectonucleoside triphosphate diphosphohydrolase 1 (ENTP1), is an integral membrane glycoprotein that acts as an extracellular nucleotide-hydrolyzing enzyme. CD39 inhibits ADP-induced platelet aggregation by hydrolyzing ADP to AMP, a... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                     |
| Clone Designation          | [CD39/8162R]                                                                                                                                                                                                                                                   |
| Molecular Weight           | 70-100 kDa                                                                                                                                                                                                                                                     |
