## Product Datasheet

### Mouse anti-Cytokeratin 17, clone E3 (monoclonal), IgG2b, Monoclonal MONX11150

|                            |                                                                     |
|----------------------------|---------------------------------------------------------------------|
| Article Name               | Mouse anti-Cytokeratin 17, clone E3 (monoclonal), IgG2b, Monoclonal |
| Biozol Catalog Number      | MONX11150                                                           |
| Supplier Catalog Number    | MONX11150                                                           |
| Alternative Catalog Number | MONX11150                                                           |
| Manufacturer               | Monosan                                                             |
| Host                       | Mouse                                                               |
| Category                   | Antikörper                                                          |
| Application                | IHC-P                                                               |
| Species Reactivity         | Human                                                               |
| Immunogen                  | Keratin preparation from rat enterocytes.                           |
| Clonality                  | Monoclonal                                                          |
| Concentration              | Greater than or equal to 8 mg/L                                     |
| Isotype                    | IgG2b                                                               |
| Buffer                     | Tissue culture supernatant with sodium azide                        |
| Application Dilute         | IHC-P (1:20)                                                        |
