## Product Datasheet

### **Amytracker 630, (solvent Aqueous, concentration 1mg/ml)** **EBB-A630-A-200**

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | Amytracker 630, (solvent Aqueous, concentration 1mg/ml)                              |
| Biozol Catalog Number      | EBB-A630-A-200                                                                       |
| Supplier Catalog Number    | A630-A-200                                                                           |
| Alternative Catalog Number | EBB-A630-A-200                                                                       |
| Manufacturer               | Ebba Biotech                                                                         |
| Category                   | Sonstiges                                                                            |
| Application                | IH, Live Cell Imaging                                                                |
| Product Description        | Optotracer, fluorescent tracer molecule...                                           |
| Concentration              | 1 mg/ml                                                                              |
| Molecular Weight           | 662,7 g/mol                                                                          |
| Sensitivity                | pM-nM                                                                                |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/29445039 target=_blank rel=nofollow>29445039 |
| Buffer                     | Aqueous                                                                              |
| Purity                     | > 95%                                                                                |
| Form                       | Liquid                                                                               |
| Samples                    | tissue sections, cells, cerebrospinal fluid, serum, blood                            |
| Target                     | amyloid fibrils, prefirillar amyloids                                                |
| Application Dilute         | 1:1000                                                                               |

#### Application Notes

Dilute 1:1000 or up to 1:1500 for use in live cells, titrate concentration for fibrillation assays.
