| Article Name               | EbbaBiolight 630, (solvent Aqueous, concentration 1mg/ml)                                                                                    |
| Biozol Catalog Number      | EBB-E630-A-200                                                                                                                               |
| Supplier Catalog Number    | E630-A-200                                                                                                                                   |
| Alternative Catalog Number | EBB-E630-A-200                                                                                                                               |
| Manufacturer               | Ebba Biotech                                                                                                                                 |
| Category                   | Sonstiges                                                                                                                                    |
| Product Description        | Optotracer, fluorescent tracer molecule...                                                                                                   |
| Concentration              | 1 mg/ml                                                                                                                                      |
| Molecular Weight           | 662,7 g/mol                                                                                                                                  |
| Sensitivity                | nM                                                                                                                                           |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/10 target=_blank rel=nofollow>10                                                                     |
| Buffer                     | Aqueous                                                                                                                                      |
| Purity                     | > 95%                                                                                                                                        |
| Form                       | Liquid                                                                                                                                       |
| Samples                    | Agar plate colonies, liquid cultures, live cultures, Dried steaks                                                                            |
| Target                     | gram negatives: extracellular matrix components (cellulose, curli)<br>gram positives: peptidoglycan, lipoteichoic acids, wall teichoic acids |
| Application Dilute         | 1:1000                                                                                                                                       |

|                   |                |
