| Article Name               | Darcin Recombinant Protein                                                                  |
| Biozol Catalog Number      | PRS-90-264                                                                                  |
| Supplier Catalog Number    | 90-264                                                                                      |
| Alternative Catalog Number | PRS-90-264-10                                                                               |
| Manufacturer               | ProSci                                                                                      |
| Category                   | Proteine/Peptide                                                                            |
| Concentration              | 0.1mg/ml after reconstitution.                                                              |
| NCBI                       | <a href="#">381530</a>                                                                      |
| UniProt                    | <a href="#">Q9Z2V2</a>                                                                      |
| Buffer                     | Contains PBS. Reconstitute with 100 µl sterile distilled water.                             |
| Source                     | E. coli                                                                                     |
| Purity                     | >95% (SDS-PAGE). Endotoxin level is less than 0.1EU/ µg purified protein (LAL test, Lonza). |
| Form                       | Lyophilized                                                                                 |
| Application Notes          | This recombinant proteins is for research use only.                                         |
