| Article Name               | PARG highly active Recombinant Protein                                                                   |
| Biozol Catalog Number      | PRS-90-350                                                                                               |
| Supplier Catalog Number    | 90-350                                                                                                   |
| Alternative Catalog Number | PRS-90-350-2                                                                                             |
| Manufacturer               | ProSci                                                                                                   |
| Category                   | Proteine/Peptide                                                                                         |
| Concentration              | Lot dependent (0.2-1.5mg/ml)                                                                             |
| NCBI                       | <a href="#">8505</a>                                                                                     |
| UniProt                    | <a href="#">P10747</a>                                                                                   |
| Buffer                     | In 50mM TRIS-HCl, pH 7.5, containing 100mM sodium chloride, 0.2% NP-40, 50mM imidazole and 10% glycerol. |
| Source                     | Sf21 cells                                                                                               |
| Purity                     | >95% (SDS-PAGE)                                                                                          |
| Form                       | Liquid                                                                                                   |
| Application Notes          | This recombinant proteins is for research use only.                                                      |
