| Manufacturer               | ProSci                                                                                                                                                                         |
| Category                   | Proteine/Peptide                                                                                                                                                               |
| Molecular Weight           | 24.7 kD                                                                                                                                                                        |
| NCBI                       | <a href="#">29089</a>                                                                                                                                                          |
| UniProt                    | <a href="#">Q9NPD8</a>                                                                                                                                                         |
| Buffer                     | Supplied as a 0.2 um filtered solution of 50mM HEPES, 150mM NaCl, 2mM DTT, 10% Glycerol, pH 7.5. It is not recommended to reconstitute to a concentration less than 100 ug/ml. |
| Source                     | E. coli                                                                                                                                                                        |
| Purity                     | Greater than 95% as determined by reducing SDS-PAGE.<br />Endotoxin level less than 0.1 ng/ug (1 IEU/ug) as determined by LAL test.                                            |
| Form                       | Liquid                                                                                                                                                                         |
| Application Notes          | This recombinant protein can be used for biological assays. For research use only.                                                                                             |
