| Article Name               | Arylsulfatase A Recombinant Protein                                                                                                                       |
| Biozol Catalog Number      | PRS-91-281                                                                                                                                                |
| Supplier Catalog Number    | 91-281                                                                                                                                                    |
| Alternative Catalog Number | PRS-91-281-0.05                                                                                                                                           |
| Manufacturer               | ProSci                                                                                                                                                    |
| Category                   | Proteine/Peptide                                                                                                                                          |
| Molecular Weight           | 52.9 kD                                                                                                                                                   |
| NCBI                       | <a href="#">410</a>                                                                                                                                       |
| UniProt                    | <a href="#">P15289</a>                                                                                                                                    |
| Buffer                     | Supplied as a 0.2 um filtered solution of 20mM TrisHCl, 150mM NaCl, pH 7.5. It is not recommended to reconstitute to a concentration less than 100 ug/ml. |
| Source                     | Human Cells                                                                                                                                               |
| Purity                     | Greater than 95% as determined by reducing SDS-PAGE.<br />Endotoxin level less than 0.1 ng/ug (1 IEU/ug) as determined by LAL test.                       |
| Form                       | Liquid                                                                                                                                                    |
| Application Notes          | This recombinant protein can be used for biological assays. For research use only.                                                                        |
